

Refresh™ Energie FOAM

Luxurious Gentle Foam Hand Wash with 'energising' fragrance

PRODUCT DESCRIPTION

Luxurious rich foam hand wash with an energising citrus and spice fragrance. Contains moisturisers to help prevent skin drying.

WHERE TO USE

Washroom areas in offices and public facilities.

INSTRUCTIONS FOR USE

- Apply one shot to wet or dry hands
- Rub across all parts of the hands and rinse off with clean water
- Dry thoroughly

FORMAT: FOAM

FEATURES	BENEFITS
'Energising' Fragrance containing natural essential oils	The perfume is designed to instill a sense of 'uplift' and 'energy' using a fresh oriental fragrance with top notes of mandarin, ylang ylang and cardamom supported by the floral undertones of lily and iris on a base of vanilla and sandalwood.
Luxurious silky-smooth foam	Provides a luxurious hand washing experience and leaves skin fresh after use.
Soap-free formulation with skin friendly pH value	Formulated to maintain the skin's acid mantle; a layer on the surface of the skin which acts to help support the natural bacteria balance.
Contains Glycerin and Panthenol skin moisturisers	A skin moisturiser to help prevent drying and leave the skin feeling smooth after use.
Saves water and energy	Foam format can save up to 45% on water consumption and associated energy costs compared to lotion soaps.
Highly economical	Only one dose is required for an effective hand wash, providing the equivalent of up to 43% more hand washes compared to standard lotion soap.
Quick and easy to use	Dispensed directly as foam on to the hands, reducing the time required to create lather. Quickly and easily rinses away to leave no residues on skin or in the sink.

Refresh™ Energie FOAM

Luxurious Gentle Foam Hand Wash with 'energising' fragrance

STATUTORY REGULATIONS

This product is a cosmetic product regulated by and complying with Regulation EC No 1223/2009 (as amended) on Cosmetic Products. Contains biodegradable surfactants in accordance with the Detergents Regulation 648/2004 (as amended).

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information please refer to the Safety Data Sheet which can be downloaded from www.debgroup.com/msds.

SHELF LIFE

This product has a shelf life of at least 30 months from the date of manufacture when stored unopened at room temperature. For shelf life after opening: see indication on packaging.

QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow cosmetic Good Manufacturing Practice (cGMP) requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in SC Johnson Professional's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test

Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in semi occlusive, 48 consecutive hour application models. These tests, as well as in practical use, have proven that the product has very good skin compatibility. Skin compatibility expert reports are available upon request.

Toxicological Approval

The product has been independently assessed for human toxicity and product stability. It is declared safe for intended use, meeting all relevant regulatory requirements.

EFFICACY TESTS

Water Saving

Independent tests show that washing hands with foam soap rather than lotion soap can reduce average water consumption by as much as 45% (Report: How a simple change in the washroom can significantly reduce water consumption and associated costs. Durrant and McKay, 2011).
